FRAMED. CLAD. COMPLETE.

Metal building systems.

By Neotech Construction

Self-storage, workshops and commercial buildings — structural framing, standing seam roofing, wall panels, doors and trims, from one team.

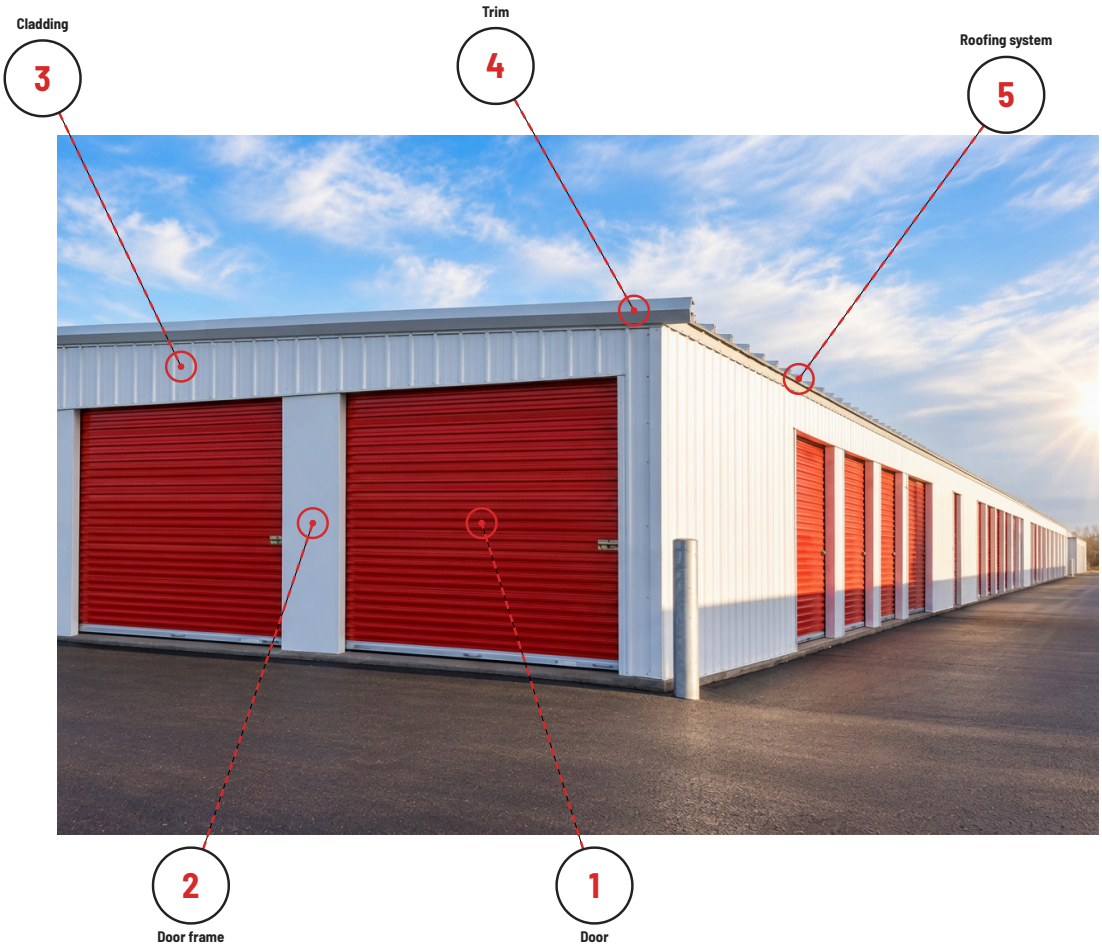

Roof panels rolled on site

01 / THE SYSTEM

Every component. One building.

Each part of the building envelope is formed and supplied by our team — matched to fit together.

1 · DOOR

Roll-up doors

Heavy-duty 26 ga roll-up doors, framed and trimmed into the wall system.

2 · DOOR FRAME

Heavy-duty 24 ga cover

Heavy-duty 24 ga cover backed with structural stud framing between door openings.

3 · CLADDING

R-panel cladding

The metal building industry standard. Other profiles available on request.

4 · TRIM

Trim & gutters

Made in house. Standard and custom profiles and colours to match your needs.

5 · ROOFING SYSTEM

Trapezoidal standing seam roof

Zimmerman TSS3000A 3″ structural standing seam roof system, 20–26 ga steel — delivered on site or rolled on site for longer panels.

Supplied together

Every component formed and delivered as one matched package.

From framing to finished units.

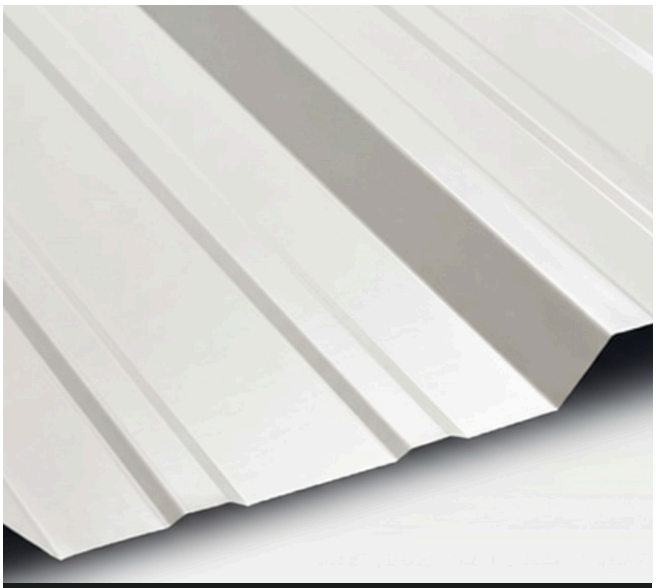

Recent self-storage project — structural framing going up next to completed, clad buildings.

Structural framing and finished buildings — NCBUILDINGS / BUILD

Steel framing — IN PROGRESS

Cladding, trims & doors — COMPLETE

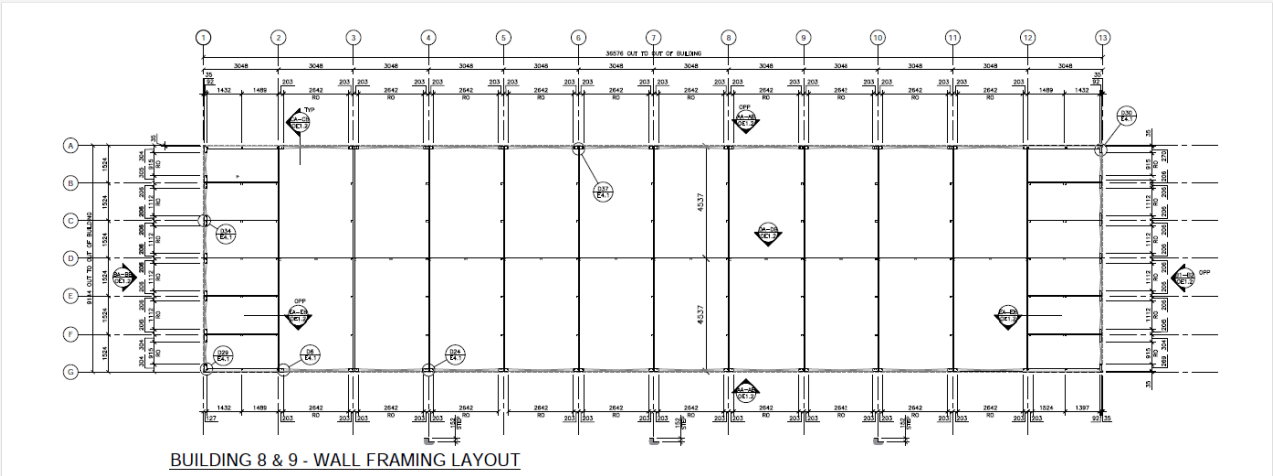

03 / IN-HOUSE ENGINEERING

Drawings, prepared for you.

Structural and shop drawings for your building, drawn by the same team that fabricates and builds it.

WALL FRAMING LAYOUT

BUILDINGS 8 & 9

Structural & shop drawings

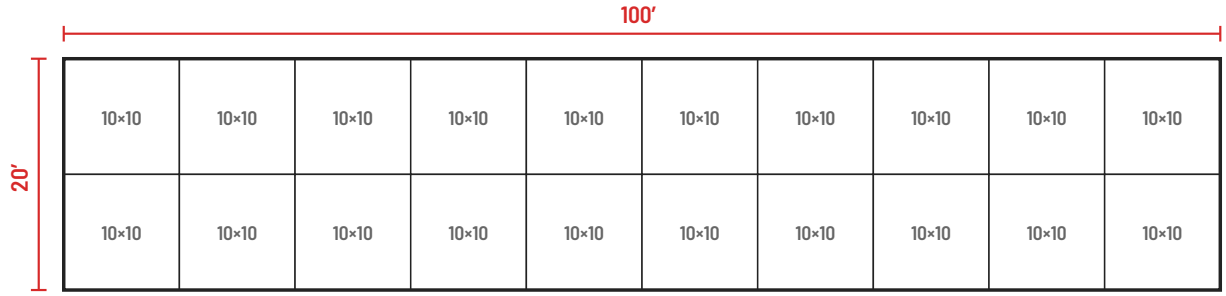

NCBUILDINGS / ENGINEERING

Permit structural drawings and full system shop drawings prepared for you by our experienced team of engineers and drafters.

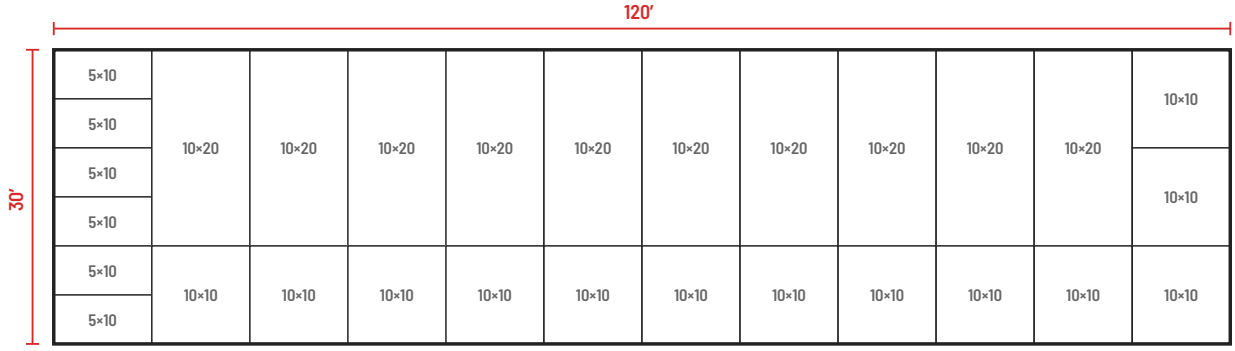

- ✓ Permit-ready structural drawings
- ✓ Full system shop drawings
- ✓ Engineers and drafters in house

Sample building layouts.

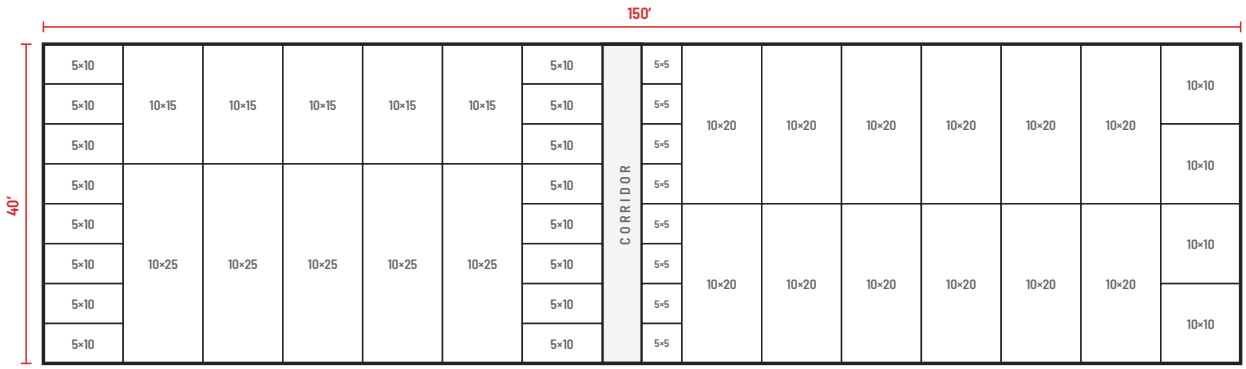

Popular self-storage layouts we frame, clad and roof — every unit mix can be adjusted to your site and market.

Layout A · 20′ × 100′ · 2,000 sq ft — 20 × 10′×10′

Layout B · 30′ × 120′ · 3,600 sq ft — 13 × 10′×10′ · 10 × 10′×20′ · 6 × 5′×10′

Layout C · 40′ × 150′ · 6,000 sq ft — 5 × 10′×25′ · 12 × 10′×20′ · 5 × 10′×15′ · 4 × 10′×10′ · 16 × 5′×10′ · 8 × 5′×5′

Colour options.

Painted, metallic and bare-metal finishes for wall panels, roof, trims and doors — selected to suit your building.

Antique Linen 8696	Barrier Bone White 1508	Black 8262	Bone White 8273	Bright Red 8386	Bright Silver 10637
